## EXPERIENCE WORK

### AGRICULTURE ENGINEERING

Graduation | 2023- 2024

- I did a major work during collage time to know the various kind of plants and trees and I am moving forward to enhance my experience in this filed.
- My graduation project was about Potato Virus Y and I did a very Excellent job with a total degree around 90%, where I studied the reasons why potato get this virus and symptom of this disease and how to protect this precious plant from such a disease.
